

# LIKE A GECKO ON GLASS

Let's get your Cornerstone platform working harder, smarter, and better for your business.

**Stick. Climb. Thrive!**

## Ready to climb higher with Cornerstone?

The platform is powerful. LRMG can help you unlock its full potential – aligned to your people, your strategy, and your goals. Accelerate adoption, unlock insights, and build engagement that sticks!

## We've helped clients who've faced

- ◇ A lack of capacity or technical know-how to keep the system moving
- ◇ Adjustments to the Cornerstone setup in order to meet your business needs
- ◇ Clunky workflows and challenges in keeping configurations up to date
- ◇ Uncertainty around how to optimise their solution and keep adoption rates climbing

## WORKFORCE AGILITY ACCELERATED

**Implementation and optimisation advisory:** Right-fit, future-fit, fast

**User adoption and change management:** From passive users to engaged champions

**Employee journey mapping and experience design:** Design what works, not just what's possible

**Custom learning and gamified content:** Bring your brand, culture and strategy to life

## Why LRMG?

- Deep Cornerstone expertise, from rollout to reinvention
- Proven Cornerstone track record: On-time, in-full, and on-budget delivery with 95% satisfaction scores
- Practical support and strategic insights – not just technical answers

**Certified across major platforms: CSX, SBX, STX, LXP, Cornerstone Guide**

## Stick. Climb. Thrive!

### LRMG gets you climbing higher and sticking longer

- A system your people actually use
- Insights that drive performance
- A solution aligned to your strategy
- A trusted team who's been there, done that

**Cornerstone implementation and optimisation for success**

**Across the USA and EMEA**

**26 Customers**

**95% Customer Satisfaction Rating**
